

The Salon Spa Extreme Makeover Program Application

Yes Lorraine! Sign me up now for your brand new **Salon Spa Extreme Makeover Program** so I can double my effectiveness, increase my profits and spend more time with my family! I realise I'm fully covered by your better than money back guarantee and in the unlikely event I am not satisfied my investment will be refunded in full plus you will also give me \$500 cash for my trouble.

IMPORTANT NOTICE: This special invitation is limited to the first 29 people who apply. If your application arrives after the first 29 places have been taken, your application will not be processed and any investment on your behalf will be returned. I also exercise the right to refuse your application on the basis of unsuitability. Each applicant will be assessed individually. You will receive a prompt notice via email and mail if and when your application is successful. Unsuccessful applicants will also be notified promptly.

In Order To Be Considered For This Program, You MUST...

- 1) Be very serious about your desire to double your productivity without working harder.**
- 2) You must be willing to take the time to develop a solid plan (with my guidance) for success in ALL areas of your life and follow through on the plan we develop.
- 3) You must be beyond the “magic pill” mentality... not expecting me to do it all for you, but committed to a “partnership” approach.**
- 4) You must be willing to make an investment in time, energy and resources to **MAXIMISE** your success.
- 5) You must not have a “Victim” mentality... this program is not for whiners or people who cannot take responsibility for themselves and their actions... this group coaching programme is for “players” who recognise the realities behind success.**
- 6) You must be honest and always try to do the “right thing.”
- 7) And lastly, you've got to be a pleasant person. Frankly, life's too short to be around ill-mannered people and I only want to work with people that are stimulating to me.**

Yes, I agree that I am serious; I am ready and willing to take action where necessary and to take full responsibility for my own business and my own life. On that understanding, here are my details...
